Word from the Director

This weather has been crazy and can't seem to decide if it's winter, spring or summer! Hopefully we'll start getting warmer weather soon. Please make sure you change out your child's extra winter clothes for summer clothes. Also, keep in mind that the children are not allowed to wear open toed shoes in the center without socks and **no flip-flops**. We do not want stubbed toes or splinters from the playground.

Summer Camp is starting on June 12th and the second half of the summer camp's material and activities fee is due now. Please bring in your child's summer camp packets and supplies no later than the 7th of June. This includes swimsuit, towel, sunscreen, swimmers (if applicable), water shoes and hat (optional). Don't forget to label everything with your child's first and last name. Unfortunately, if your child does not have all their supplies they will not be able to participate in any swim or water play activities.

If you would like to volunteer for a fieldtrip or help with pool days we would love to have you. Please let your child's teacher know if there are any days that work for you.

The end of this marking period was May 31st. Progress Reports will be sent home the 9th of June. You do not need to sign or return anything unless you are requesting a conference.

The last day of public school is Friday, June 9th. Summer Camp starts the first Monday after public school gets out (June 12). The weekly summer camp rate for school-age will be \$245.00. If you have any questions, please do not hesitate to ask. Thank you.

Our Summer Fun '17 is going to be a

ton of FUN. As always we have planned some great weekly fieldtrips for our PK, SA1 and SA2 children. All classes from T2 up will be going to the pool weekly. Splash Days will also be weekly for T1 and up. We will also have a weekly in-house activity planned starting with "Childtime Magic".

Please remember that if your child is too sick to participate in the activities they are too sick to come to summer camp.

We want to wish all our wonderful dads here at Little Learners a HAPPY FATHER'S DAY. We hope your day is special. We will be celebrating your day on Friday, June 16th, with Donuts for Dads. We hope you can join us.

Please help us to welcome back some returning teachers to the Little Learners Family: Ms. Legacy in PS, Ms. Alex in PK, Mr. Connor SA1. They will all be with us for Summer Camp, We are excited to welcome you back!

Congratulations to Ms. Preeti for winning our Spring Teacher of the Quarter. Ms. Preeti has been with Little Learners for almost 5 years. We are proud to have her here at LLA.

Happy Birthday to Ms. Divina on the 7th, and Ms. Preeti and Ms. Legacy on the 30th. Hope you all have wonderful days.

Little Learners will be celebrating our 16th year anniversary on June 15th. We will be having an Ice Cream Social to celebrate. Parents are welcome to come and join us. We want to thank all our wonderful families for allowing us to be a part of your children's lives. It was been a privilege to see so many kids grow up here at Little Learners.

As always, our door is always open if you have any questions, comments or concerns.

Welcome to June everybody! The end of the school year is around the corner and lots of fun activities are waiting us in our summer camp. The days are getting warmer and the rainy days are hopefully behind us, so we will be spending more time outside. Please remember to update the extra clothes and that the children are not allowed to wear flip flops or open toed shoes without socks. We want to spend a fun and safe summer free of splinters. For the summer months we will have a slight staffing change. Ms. Legacy will be working with Ms. Nicole, while I (Ms. Divina) will be going to the PK classroom.

Espanol~ Ms. Beatriz

Hello Everyone. Summer is finally here. These are the last couple of weeks for Spanish before camp begins. We are still going to learn new words that go along with the themes.

I have really enjoyed teaching all the children a new language. I know your kids have really learned a lot throughout the year. I am proud of all of them. I hope that they share with you a little of what they have learned. I know they will surprise you.

Thank you for the opportunity to teach them and have a wonderful summer.

School Age One ~ Ms. Deh

School's almost out and summer is near. I am so excited! Summer's are that best here at LLA. I am going to miss a few of our friends who will not be spending the summers here with us but I wish them all an amazing summer and proud that they are moving up a grade.

Because it is summer, the sun will be in full effect, blazing. That means we will need lots of sunscreen. Please bring in a bottle of sunscreen for your child. If they must use a specific kind due to allergies please let me know. Please also send in a bathing suit, towel and water shoes. They must have these 3 items throughout the summer. Goggles are optional but they will be their responsibility if they bring them. The center will provide water shirts for the children and each child will receive a backpack, camp shirt and a water bottle that they will use all summer long and

will get sent home at the end of camp.

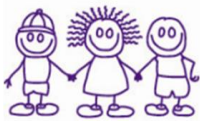

Connor (Ms. Patty's son) will be returning this summer to help in our classroom. We are excited to have him back.

This month's Star is Bradley George! Bradley loves to be challenged. He is a ball of energy and loves interacting with his friends. Congratulations and Happy birthday this month!!

Also a big happy birthday to Ms. Divina, Ms. Patty, Ms. Legacy and Ms. Preeti and any of our parents celebrating a birthday this month. We hope you all have a wonderful day.

Happy Father's Day to all of wonderful Dads!!

Have a blessed month and a wonderful end of school year!..

School Age Two ~ Ms. Rasheda

Hello SA2 parents! My first month with your children has been great. I'm learning all of their personalities quite well and it appears they are adjusting very well to having a new teacher.

So now to the fun part! School is just about out and Summer Camp is just around the corner. Ms. Brittnay and I will be working with your children this summer. We are both ready to make it a fantastic summer camp! I'm so looking forward to all the fun activities that we will be doing. For our campers, please make sure your child brings in their own towel, bathing suit, water shoes or crocks. No open toed shoes will be allowed. Their pool stuff will remain in the classroom and we will be washing them.

Please make sure to label their items. If your child/ren don't have the necessary supplies they won't be allowed to participate.

Volunteers: Parents you are welcome and encouraged to sign up for pool and fieldtrip days: The signup sheet will be posted in the classroom.

Help me wish Ms. Legacy a Happy 21st birthday on June 30th. She just so happens to be my beautiful daughter.

To my parents and kids that I won't have for the summer, I want to wish you guys a safe and Happy Summer!

Congratulations Mateo Shtylla on graduating from the 5th grade and moving up to Middle School :).
