Word from the Director

Summer Fun 2017 Camp is off to another fun and busy start! Everyone is having a blast and it's great to see how excited all the kids get for all the activities. We started the summer camp off with a bang having Childtime Magic come for a visit and fieldtrips to Volcano Island!

Pool and Splash days are going great. Our first splash day the kids had such a good time, they all love the waterslide/ moonbounce . It's so enjoyable getting to see them run around having fun and cooling off.

Please make sure your child is at the center by 9:00 AM on pool and fieldtrip days. It is very difficult to get an entire class ready for these events and it is unfair to the children when they have to wait for a classmate that has arrived late. If you arrive late please help your child get ready, and if needed, escort them to the pool or fieldtrip. Thank you.

We are always looking for parent volunteers to accompany us on our fieldtrips and pool days. If you have the time and would like to volunteer, we'd love to have you. The more hands available the more enjoyable it is for everyone.

Please remember: If you feel that your child is too sick to participate in any of the center's activities, then they are too sick to be at school. We cannot exclude a child from the activities planned. If you prefer for your child not to go to

the pool you will need to bring them in after 11:15 (12:15 for kinder and school-age) on pool days when their class has returned.

This month is our annual St. Jude Trike-A-Thon. It is a fun, week-long curriculum that teaches children riding-toy safety lessons through a series of interactive stories. Children receive these lessons from special St. Jude friends, Bikewell Bear® and Pedals the Bunny,® while raising money for St. Jude Children's Research Hospital. The event will be held on July 7th. Please bring in your child's bike/trike/scooter and helmet that day, don't forget to label it. The children will do laps around the playground, on the tennis courts or at the track at SW Elementary School. The kids have a great time and it helps those in need. More information is on the [trike-a-thon website](#). Please consider making a donation to this very important cause.

We will be sending out a fall enrollment form again soon. Please fill it out and return it once you get it, if you have not already done so. Thank you to those that have already turned it in.

Happy Birthday to Ms. Beatriz on the 15th. We hope you have a wonderful day!

Happy 4th of July! Please remember that we will be closed on Tuesday. We hope everyone has a safe and happy day.

Adriana is a happy girl who also loves tummy time and always smiling at her teachers.

Caleb is crawling everywhere and also trying to pull himself up on the shelves.

Don't forget the center will be closed on Tuesday the 4th for Independence day. Have a safe 4th of July and amazing month :)

Splash day!!

Happy July and happy birthday America!

We are so happy to be spending a lot of time outside and our splash days have been a blast!!

The children are enjoying our circletime activities in the morning. We sing songs, dance and look at color and shape flashcards. They also love doing projects like coloring, painting and gluing. We will continue doing our cooking projects on Friday :)

This month's fun themes are: Living in America, Surf-n-Turf, Travel, Kids in Motion and Super Heroes. We will be having a Red,

White and Blue shirt day on the 6th. Also we will have super heroes pajama day on the 31st. If your child doesn't have super heroes pajamas they can wear any pair of pajamas, don't feel that you need to purchase super hero pajamas just for that day.

We are sad to have to say good bye to our friend Patrick. We will miss him very much and we hope he has a wonderful birthday on the 1st. Also a very happy birthday to Holly on the 23rd and Ms. Beatriz on the 15th. Hope your day is extra special :)

Have a happy and safe 4th of July.

Trey splashing around

Happy 4th of July to everyone. We hope everyone will have fun celebrating our Independence Day. Our summer camp is starting smoothly. The kids are having fun and are excited about each of our upcoming activities. They enjoy pool and splash days as well as our weekly in house shows and field trips.

On our pool days please make sure your child is here by 9:30am. It takes us time to get everybody changed and we walk to the pool, so we have to leave by 9:45. However, if you can't make it on time, you can change your child into their swim outfit and just meet us at the pool. We are so grateful for all the parents who are volunteering to help us out on our pool and fieldtrip days. We appreciate all your help.

We will have more fun filled and exciting activities this month. We are looking forward on visiting Ticondeqora Farms, Atlantis Waterpark,

Meadowlark Gardens, and Clemyjontri Park. We will also have our annual Trike-a-thon on Friday July 7th.

Our in house shows this month are Under the Sea, Puppet show and Funfittastic. All of these shows start between 3:30 and 4:00 in the afternoon, so mark those dates so you can let your child stay and watch the show.

Despite our busy schedule with the summer camp we will continue to do our phonics, sight words, numbers and writing activities. That way your child won't forget them over the summer and will be ready academically in the fall.

As we close we give a happy birthday shout out to Eliana who will be turning 5 on the 17th. Also we would like to welcome back June Kassar who will be joining us this month. That is all for now and enjoy the summer!

Hi Parents, It's July! Can you believe that half of the year has already passed? Time is going by so quick. I hope all you amazing dads enjoyed your Father's Day, you truly deserve it.

Let's start by giving a warm welcome to our new student, Braydon! He's super sweet and helpful. The students love him. The summer has been great so far. We've done a couple of fieldtrips and there's a lot more to go!

Parents, you can always join us on fieldtrips there's a sign up sheet in our class. Please remember that all the students need proper summer gear; swim shoes, bathing suits,

trunks, and towels. There are a few students who need new swim shoes. I will let you know individually who needs what. Also, please send in extra clothes just in case of accidents. Please remember we go swimming a lot and the days vary.

We have our annual summer show at the end of August. The songs we will perform are Bruno Mars "That's what I like" and Zay Hilfigerr "Juju on that Beat". These are the 2 most voted songs by the students. We will begin practicing this month.

I hope you all enjoy your 4th of July Holiday! Have a blessed month.
