A Word from the Director

This weather has been so wet this month. Hopefully we'll start getting drier weather soon. If you haven't already, please make sure you change out your child's extra winter clothes for summer clothes. Also, keep in mind that the children are not allowed to wear open-toed shoes in the center without socks and **no flip-flops**. We do not want stubbed toes or splinters from the playground.

Summer Camp is starting on June 18th and the second half of the summer camp's material and activities fee is due now. Summer camp packets will be going out soon. Please return them and required supplies no later than the 13th of June. This includes swimsuit (girls please have two-piece to wear under our rash guards), towel (bath size), sunscreen (kids SPF 50 continuous spray), swimmers (if applicable), water shoes and hat (optional). Don't forget to label everything with your child's first and last name. Unfortunately, if your child does not have all their supplies they will not be able to participate in any swim or water play activities.

If you would like to volunteer for a fieldtrip or help with pool days, we would love to have you. Please let your child's teacher know if there are any days that work for you.

The end of this marking period was May 31st. Progress Reports will be sent home the 13th of June. You do not need to sign or return anything unless you are requesting a conference.

The last day of public school is Wednesday, June 13th. Summer Camp starts the first Monday after public school gets out (June 18). The weekly summer camp rate for school-age will be \$255.00. If you have any questions, please do not hesitate to ask. Thank you.

Our Summer Camp '18 is going to be a ton of FUN. As always, we have planned some great weekly fieldtrips for our PK and SA classrooms. All classes from T2 up will be going to the pool weekly. Splash Days will be weekly for T1 and up. We will also have a weekly in-house activity planned starting with "Childtime Magic".

Please remember that if your child is too sick to participate in the activities they are too sick to come to summer camp.

We want to wish all our wonderful dads here at Little Learners a HAPPY FATHER'S DAY. We hope your day is special. We will be celebrating your day on Friday, June 15th, with 'Donuts for Dad'. We hope you can join us.

Please help us to welcome back some returning teachers to the Little Learners Family: Ms. Legacy and Ms. Alex. They will be with us for Summer Camp, we are excited to welcome you back! My son Cameron will also be returning as an assistant counselor and Ms. Beatriz's son Daniel will be volunteering.

Congratulations to Ms. Raquel for winning our Spring Teacher of the Quarter. Ms. Raquel has been with Little Learners for 6 years. We are proud to have her here at LLA.

Happy Birthday to Ms. Divina on the 7th, and Ms. Legacy & Ms. Preeti on the 30th. Hope you all have wonderful days.

Little Learners will be celebrating our 17th year anniversary on June 15th. We want to thank all our wonderful families for allowing us to be a part of your children's lives. It has been a privilege to see so many kids grow up here at Little Learners.

As always, our door is always open if you have any questions, comments or concerns.

Preschool News ~ Ms. Divina & Ms. Raquel

Finally, the summer is here. We're all excited about this month since our camp will start on June 18. We told the kids that we are going to have a lot of fun; such as pool days, splash days, in-house shows and our field trip to Chuck-E-Cheese. They're all excited about it and we're all looking forward to it, including the teachers.

We are starting to collect all your child's summer items. If possible, we want everything in by Friday, June 8. This includes: swim suit/shorts, water shoes, towel and sun-block kids SPF 50. Don't worry about the bag; each child will get their own back pack to put their stuff in. Please don't forget to label all your child's items, so it will be easy for us to identify each child's belongings. These items will stay in the center until the end of the summer, to avoid forgetting them at home. Your child cannot participate in our activities if they don't have the items needed, so please don't forget, and start bringing them in. Also, don't forget to return all of your child's summer camp forms to the center, as we are not allowed to take them without the necessary permission forms. If you have any questions regarding our summer camp, please come and talk to us and we will be happy to assist you.

Progress reports will also be sent early this month. Please review them and if you have any questions or

would like to set up a teacher conference please let us know. You do not need to sign or return the bottom part. You can keep your child's progress report for your own reference.

This month will be reviewing all of the letters and numbers we've learned. We will continue to practice writing, cutting and using different art and writing materials. We are so proud of our class progress and how they have improved in all areas of learning.

We have to say goodbye to our friend George who is moving up to the PK class. We will miss him but know he will have so much fun in his new class.

We are happy to welcome Mya, Jason and Advaith from the T2 class. We are excited to have them join the Busy Bears.

Birthday shout out to Katelyn who will turn 4 on the 4th, Ms. Patty on the 10th and Ms. Legacy on the 30th.

We would also like to invite our dads to have donuts with us for breakfast on Friday, June 15th from 7 to 9:30 a.m. in celebration of Father's Day.

Before we end, we congratulate our school, LLA. We will be celebrating our seventeenth -year anniversary on Friday, June 15th. May we have more years of joy, fun learning and a loving, caring environment.

Spanish ~ Ms. Beatriz

Hello everyone. Summer is right around the corner and these are the last few weeks of Spanish before summer camp begins.

We are going to work on theme related vocabulary, numbers, seasons, shapes, colors, days of the week, and months of the year.

I have really enjoyed teaching all the children a new language and I know they learned a lot. I'm very proud of all of them. I hope that they share with you a little of what they have learned. I know they will surprise you.

Have a great Summer

School Age One ~ Ms. Deh

Hi Parents! School is almost out! I'm so excited! I hope all you wonderful moms had a great Mother's Day. It was nice to see how special you are to your child, through their little notes of love.

The weather has been great and I'm ready to welcome the summer in a few short weeks. You have been doing a great job in dressing your child in appropriate gear for the weather. We get to enjoy the outdoors a little longer.

In preparing for Summer Camp, please send in a towel, bathing suit, swim trunks, water shoes (must be closed front and back), and sunscreen. We will spend A LOT of time outdoors, so these items are extremely important. Please let me know if your child requires special sunscreen. We will let you know if we run low or if any items need to be replaced due to rips/tears. Last year some of the water shoes fell apart pretty quickly. Let us know if your child won't be here during certain days so we can plan accordingly.

Parent's Night Out will be Friday June 15. This will also be Donuts with Dads. So, fathers please come and accompany your child. I'm sure they'll be delighted! Happy Birthday to the diva herself, Abby Ringel, Ms. Divina, Ms. Patty, Ms. Preeti and Ms. Legacy!

This month's Star is Natalia! Natalia is super sweet and playful she likes to help her friends. Congratulations Natalia!

Happy Father's Day to all you amazing dads! May you all have a blessed month.

Your child may bring in a stuffed animal for Zoo animal week on Wednesday June 6th. Also, please send in a picture of Dad with your child. You can also email or text it to 703-622-5002 for us to print.
