Weekly Themes:

- * Blast from the Past
- * Fun Days of Summer
- * Transition
- * Back to School

A Word from the Director

It's hard to believe August is here and summer camp will be ending in just a few short weeks. As always, the time just seems to fly by. Everyone is having a great time and enjoying lots of fun activities. We've had many exciting shows and events and we're looking forward to having Steve the Magician visit us and seeing [Peter McCory](#) as our last show.

Our end of Summer Show and Party will be held on Friday, August 16th at 3:00 PM. We will have a great show and lots of yummy things to eat! If you haven't already made plans to attend, we'd love to see you all here. Preschool, Pre-K, and the School Age classes (performing together) have been working hard on their performances and I'm sure will put on a great show for you. Some of the school-age children are opting out of performing and instead will be helping with the party. This year we will be having more of a help yourself party style instead of a picnic. There will be tables set up with different food options i.e. hot dog stand, ice-cream station, fruit stand, snack table, etc. We hope this will help spread people out, so you won't have to wait in a long line 😊.

The last day of summer camp is August 16th and the first day of public school is Thursday, August 22nd. School-Age kids can attend LLA full days August 19-21st. Please let us know ahead of time if your school-age child will be attending so that we can prepare accordingly. All other classes will have the week of the August 20-25th as a transition week. During this week they will get to know their new teachers, friends, and surroundings before we jump into the curriculum Monday, August 26th.

Please help us get our name out. Fall enrollment is open and we have availability in all of our classes. If someone enrolls and you are the one that referred them, you can get a free week's tuition! The highest

compliment we can get from our parents is when they refer someone to us.

You can also help by giving us a good review on google. [Here is a link](#) where you can give us a review. Thank you in advance!

We have had a lot of great people helping make this summer special. All our wonderful parent volunteers, who have taken time out of their busy schedules and of course all the Little Learners staff. Everyone has worked hard to make sure this is a memorable summer for all our kids. Thank You! We are looking forward to having another great couple of weeks of summer!!

It's always hard to say good-bye to several of our teachers at the end of the summer. This year we are saddened to have to say good-bye to Ms. Brittany, Ms. Pamela and Ms. Carey. They will all be missed but we wish them good luck on their next adventures. Ms. Brittany will be moving into the LCPS system. Ms. Pamela and Ms. Carey will be going back to college. Hopefully they enjoyed their time here and will be back again next summer. We also have to say good-bye to our teen volunteers Daniel and Chris. They are both doing a great job helping this summer. Thank you all for helping to make our Summer Camp 2019 a summer to remember.

If you ever have any questions, concerns, comments or compliments, our door is always open. Please stop by and let us know how we are doing. All our families mean so much to us and we want to hear what you think.

Infant News ~ Ms. Brenda & Ms. Randa & Ms. Beatriz

Welcome Evelyn!

Welcome August. I would like to take a moment and welcome Jack to our infant room/LLA family. He is the younger brother of Vivian, who is in our Toddler 2 class.

This last month we were excited to learn about different animals. We learned about animals through sign language, pictures, nursery rhymes, music, toys and animal names/sounds.

Our Milestones:

Jackson has mastered crawling, pulling up on everything and loves clapping his hands.

Mateo is crawling and has mastered getting his self to a sitting position.

Gravin loves his tummy time and is working on holding his bottle.

Evelyn is getting stronger each day. You'll find her doing tummy time. She loves for you to talk to her

We are always excited to see and help our babies reach their milestones.

Open up the lines of communication with your infant with signs for: more, done, eat, change and other signs for everyday items. These are signs that I will be emphasizing on a daily basis.

As always please feel free to stop by with any questions or concerns. We are always happy to help.

Welcome Abigail!

Toddler One News ~ Ms. Vicky & Ms. Beatriz

We're enjoying the warm summer days. As we dive into the month of August we would like to announce all the fun activities we have planned. Our themes for the month include: Blast from the past, Fun days of Summer, and Back to School. We will be talking about our themes, doing art projects, and singing songs.

Our Tiger Tots have been having a blast during our Splash days and our water

sensory projects. We try to make the most of the beautiful weather.

This month we welcomed Abigail to our class. She is doing great and has adjusted with ease. We are happy to have her with us.

Have a great August!

Toddler Two News ~ Ms. Rhonda

We will miss you Caleb!

We are officially more than halfway through summer we've had so much fun cooling off at the pool or making a splash on Splash Day.

The themes for this month are A Blast from the Past and Fun Days of Summer. Fun Days of Summer will continue through August 16th ending with our End of Summer Picnic. This will be a fun filled day of activities, please feel free to join us!

I will continue working on our numbers (1-10), alphabet and shapes. As well as our social and independence skills along with potty training.

On a sad note.....Caleb will be moving this month. I myself will miss him so very much as many friends at LLA. However, we do wish all the best of luck to the Combs Family!

Have great month!
Ms. Rhonda

Preschool News ~ Ms. Divina & Ms. Kate

Wow, it's hard to believe it's already August. This will be the last month of our summer camp before our regular school starts. Things have been running smoothly in all of our activities. The kids continue to enjoy our pool day, splash day, and in house shows. Please look at our August summer camp calendar so you can see our daily activities. We usually leave around 9:45 for our pool days, but if you can't make it on time you can change your child and bring them to the pool, so they can enjoy swimming with us.

Our themes for this month are Blast from the Past and Fun Days of Summer. Since we don't do letter of the week during summer camp you can do the themes for our share day each week on Tuesdays. Friday has always been our book share day. The kids are always excited to show and share something from home.

We will have our annual summer show and picnic on Friday, August 16th at 3 p.m. Everyone is

invited to come and enjoy our little show. Each class will do a presentation, so please mark your calendar and we hope to see you there. We will post a signup sheet for the things we need for the picnic.

We are also going to have our field trip to Chuck-e-Cheese on Wednesday, August 14th at 10 a.m. to 12 noon. Please bring your child to school no later than 9:30 in the morning so we can plan accordingly. We are also looking for parents who would like to volunteer and enjoy the fun with us. You can meet us there or if there's room in the bus you can ride with us. Please mark the date.

We would like to have a birthday shout-out to Eva, who will be celebrating her 4th birthday on the 21st.

Thank you for all your support in our class and for our summer camp program. Enjoy the rest of the summer!

Pre-K News ~ Ms. Brittany & Ms. Raquel

The splashing, laughing, swimming and smiling is not done quite yet. We still have just over 2 weeks left to be carefree and soak up the sun.

We'll be heading to Signal Bay Waterpark on the 5th and to Chuck-e-Cheese on the 14th. Our summer show will be on Friday the 16th at 3pm. Everyone is welcome. Hope to see you there!

We would like to say Happy Birthday to our Sammie on the 9th. Welcome to the 5-year-old club.

As we enjoy our last weeks of summer, we want to wish all of our Kindergarteners the very best as they make the transition to their new schools this fall.

Jeremiah, Mirei, Francesca, Nina, Natalia, Kennedy, Addison, Levi, Emmy, Nino, Marley & Sam- You are all unique and one of a kind. May you shine bright in Kindergarten! We

will miss you all and are excited to continue watching you grow!

Lastly, I would like to share with you that I have accepted a job at Belmont Station Elementary School this fall. After 6 wonderful years here at LLA I have to say goodbye. I am sad to leave, and I am grateful for all my memories that I have made here with your children and mine.

Thank you, Ms. Patty, Ms. Melissa & Ms. Christy for all you have done to help create an enjoyable teaching experience for me.

You all will always be my Virginia family and I will be forever thankful to the kids, my coworkers and the families. Thank you.

Love always- Ms. Brittany

We hope everyone enjoys their last couple of weeks of summer and has a wonderful school year starting in the 22nd.

Pool Day!

Atlantis: waiting for the bucket drop 😊

School Age One ~ Ms. Deh

Hi Parents,

It's August! The last month of Summer Camp. I can't believe it has come to an end so quickly. We had a lot of fun going on field trips and spending a lot of time in the pool. We enjoyed creating our own snacks and all the inhouse shows! Now we are ending with a bang with our Annual summer show.

School Age 1 and 2 will be performing together. Some children will be helpers during the show. We will be performing Old Town Road and In the Middle! We've been practicing every day. So, you're in for a treat.

We will be creating tie dye shirts this month. So please send in a plain white cotton t-shirt for your child. During the last week of camp, all items in cubbies will be sent home. The day of our show, the

class will be wearing their summer camp shirts. After the show the shirts can be taken home.

I'm so excited about the upcoming school year. Everyone will be moving up a grade. But I am truly going to miss the students who will not be returning to LLA for the upcoming school year. Many blessings to them on their future endeavors. Let's all wish Aedan and family safe travels as they move to a new city. Congratulations to dad for getting into medical school!

Happy birthday to Cheveyo, Fama, and Calvin. Happy birthday to all of you parents celebrating this month! Thank you. Many blessings! Have a great month!

School Age Two ~ Ms. Rasheda

Wow! I can't believe Summer Camp is over in just a couple weeks. It's been such a wonderful Summer with the kids. We still have a few more fun-filled fieldtrips left. We will be going to Splash down next week and Chuck e Cheese the last week, so please feel free to join us.

We are still practicing very hard on our Summer Show routines, please encourage your kids to practice at home.

We would like to wish happy birthdays this month to Fama on the 8th, Cheveyo on the 13th, and Calvin on the 25th. We hope you enjoy your days.

Best wishes to all the kids as they start a new chapter in their lives. I hope everyone has a wonderful month!
